

Audio Visual (AV) - Visuals

Time Commitment: Sundays 9:30-12:15 and preparation time (approx. 60-90 minutes)

Key Responsibilities:

- To learn and understand the applications used and how they interact.
- To gain an understanding of the associated devices and displays.
- To adjust the camera presets and view to best capture the action.
- To liaise with those leading the service regarding what is required, checking for versions of songs and compatibility of media formats.
- To be attentive to the progress of the service to ensure that song lyrics and media follow the flow as smoothly as possible.
- Be well prepared, and prepared to adapt.
- To arrive in good time. Remember to turn all devices on and off.
